S[☀]LAR SPOON

Be like this guy.
Enjoy a **HOT** cup o' tea made
free from fire with the Solar Spoon.

With sun harnessing and conserving abilities,
The Solar Spoon can heat up and cook
water, soup, you name it within **THREE** minutes.
No fire, no sweat and perfect for a camping trip.

The protective handle comes in a variety of colors.
Purchase the Solar Spoon for \$15 on Amazon.
